

Virtual Firefly

Two writing groups each created their very own independent and unique second season scripts for Firefly. There were virtually two Season 2's for Firefly.

One group of fans called themselves *Firefly - The Virtual Season* at <http://firefly.populli.org/firefly-tvs/guide.htm>

The other group was named *Virtual Firefly: Still Flying* at <http://bit.ly/14ItEy5>

The original *Still Flying* website was shutdown in January of 2013, per this note:

Copies of the old *Still Flying* site are on The Wayback Machine at <http://archive.org/>
